

GUAGUA

The bus in the Canary Islands is known as a *Guagua* (pronounced Wah-wah), a term that is also used in Latin America, but not elsewhere in Spain.

Public buses are a good option for getting around when you don't have a car. The price of your journey is for one-way only and depends on how far you travel.

Times correct at printing. For all bus lines and up to date timetable information in English, please check www.tiadhe.com
